

The Professional Tennis Registry is coming to BOAR'S HEAD SPORTS CLUB Charlottesville, VA

Teaching Essentials Certification Workshop

April 19 - 20

Saturday, 9am-6pm

Sunday, 9am-6pm (includes testing)

The workshop is for established and prospective tennis teachers who wish to become certified by PTR. Details of the serve, forehand and backhand are demonstrated as part of a standardized method of instruction. Emphasis is placed on the development of biomechanically sound strokes and provides an understanding of fundamental group teaching techniques. Primarily conducted on-court, the workshop provides hands-on interactive training and participants have the opportunity to practice teaching the strokes. The certification test is administered immediately following the workshop. PTR members may re-test at this time.

The workshop cost is \$95. You must be either a full member or an Affiliate member before taking the workshop. Only full members may take the certification exam. For more information regarding membership please call PTR Headquarters.
